

24 March 2023

New Uniform Supplier from 1st April 2023 – Classworx (Macclesfield)

Dear Parents,

In the autumn term 2022 we carried out a consultation on the current school uniform. The general feedback from parents was an overall satisfaction with the style of the school uniform but a request for a more consistent approach to policing the policy and a clear distinction between general uniform and PE was preferred. The other area identified for consideration was a change in supplier due to the very long lead times and difficulty in getting hold of stock from M&S.

For more details on the outcome of the survey please see the school website - https://www.aecps.org/serve_file/16722941

Since then we have been investigating new suppliers and reviewing our current items on the list to ensure they are practical, good quality and value for money. We have limited the list to only essential items so new parents are clearer about what to purchase.

From **1st April 2023** our uniform supplier will be Classworx in Macclesfield. They offer walk in, click and collect and home delivery services.

Tel: 01625 500552

Email: uniform@classworx.co.uk

Website: <https://classworx.co.uk/school/alderley-edge-community-primary-school/>

Address: King Edward Rd, Macclesfield SK10 1AP

In the meantime, some items are still available from M&S.

We recognise that some items can be purchased without a logo from other suppliers more cheaply but quality is often compromised. We ask that all children wear jumpers (uniform and PE) and polo shirts/PE tops with the school logo. We also ask that children only wear PE kit on PE days. Staff will be policing this more carefully after Easter.

Kind regards

Lindsey Walsh
Head Teacher
