

School Information

- Our school is single form entry with class sizes of 30.
- Our children in Alderley Edge Pre School and Reception are on a lower site and Year 1 through to Year Six are all on the same site
- Our outdoor playground is a mixture of free space and zones for ball games., including a large MUGA , environmental area and playing field.
- We work closely with an on-site pre-school, and a high percentage of our Year 6s attend Wilmslow High School.
- We have a staggered lunch and different areas for the children to enjoy break times.
- Lunch time is again staggered between Key stage 1 and Key stage 2
- Overnight residential trips are planned for Years 2, 4 and 6.

School Enhanced Transition Offer

- Environmental adaptations and personalised resources, such as meet and greets, transitional objects and communications, letters to children.
- Personalised and/or small group visit schedule.
- Multiagency planning with settings and specialists.

Accessibility

- The school is on various levels with ramped access to the front and rear of the main building
- There are accessible toilets located at both sites in the school.
- There are disabled parking spaces available at the front and back of the school
