Red Nose Day – Friday 21st March

Once again, AECPS will be supporting Red Nose Day as a fundraising day.

The children can make a difference to help people live free from poverty, violence and discrimination. We will be asking for donations for this fantastic charity.

Red Nose Day is all about coming together, spreading joy and having a great day in school for a brilliant cause!

This year, Comic Relief is celebrating its 40th Birthday! Therefore, we would like children to dress up in as much red as possible. Pop on those scarlet socks, go magenta with your mane or don a full-on lobster suit, in return for a donation. The children can wear funny red clothes, have a bad hair day or wear red fancy dress. The idea is to spread joy around the school. Wear something that makes you and your friends smile, in return for a donation towards the great charity!

We are bringing back the 'Joke Show' and are hoping all the children bring their funniest jokes to the classroom! Children can learn a joke (or even write on a card) to share with their class. Those with the biggest laugh from the teachers will get a well-deserved prize.

(Children do not have to participate in this but they will be watching the show).

If you would like to make a personal donation, please either send cash/cheque to the school office. Cheques should be made payable to 'Comic Relief'.

We will be taking photographs for our school website and I am sure the children will enjoy their break from school uniform for such a worthy cause.

Kind regards

Miss Rushe and Mrs Gallimore
Teachers
