

05 October 2022

Dear Parents

At AECPS we use the Maths No Problem scheme of work in our maths lessons. Maths No Problem have now issued new versions of the children's text books which we are using in school. This means that we have sets of the original version available for parents to support children at home. The older versions are not too different so are still relevant. The normal cost of these books new is £9.99 each.

For a donation of £10:00 we would like to offer you the opportunity to purchase 3 textbooks which will include the year group your child is currently in, plus the next two-year groups for your child.

This offer will be made on a first come first serve basis.

The money raised will be used to pay for maths resources across school. Please send in £10 in a sealed envelope with the slip below.

Many thanks for your support.

Yours sincerely

Mrs Lesley Sym
Year 6 Teacher and Maths Lead
